Let There Be Light

Join the BCC Theater Boosters in our quest to light the stage in the school Auditorium!

Other MCPS High Schools with active theater, music and other school programs like ours have 100 to 150 lights for their use in their auditoriums. We currently have 60 lights. This limits our stage capabilities and doesn't provide the school with appropriate lighting for the many shows, performances and other activities conducted throughout the year. **Your help will allow our students to reach a new level of creativity. We need your help raising $30,000 to purchase 30 to 50 new lighting units.**

Here's how you can participate and be recognized. Check off all the ways you will support the *Let There Be Light* campaign.

_____Donate a cash amount to the B-CC Let There be Light campaign, $500 or more and you'll receive recognition in our Auditorium and theater programs throughout the school year. (See back side of flyer.)

_____Donate an item or gift certificate for raffles being held throughout the school year and receive recognition at the raffle tables and in the theater programs.

_____Purchase tickets to attend our "Broadway Revue" show featuring B-CC students performing their favorite songs from Broadway shows later this year (For more information, check our website at www.bcctheater.com.

_____ Questions? Please have a committee member contact me with more information and/or to answer questions.
